PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Sganga - O'Connell

Miss Mary Barbara O'Connell, daughter of Mr. and Mrs. Frank O'Connell of Canal Point, and Francis Thomas Sganga, Jr., son of Mr. and Mrs. Francis Thomas Sganga, Sr., of Brooklyn, N. Y., were united in marriage on Saturday, Sept. 7, at 8 p. m. in St. Mary's Catholic church, Pahokee. Father Peter Rylie of Clewiston officiated at the double ring ceremony.

The church altar, banked with fern and chrysanthemums, was lighted with candelabra, bearing white tapers. Jasper Reed, vocal soloist and Mrs. Dorothy Graham, organist, presented a program of nuptial music preceding the ceremony, which was concluded with the traditional wedding march.

Given in marriage by her father, the bride wore a wedding gown of imported white embroidered organza with a tight fitting bodice and a matching half hat to which was attached a shirred finger-tip net veil. She carried an old-fashioned bouquet of pink rosebuds and stephanotis.

Miss Ann O'Connell, sister of the bride and maid of honor, wore a rose crepe dinner gown and had pink rose buds in her hair. The bride's mother wore an aqua crepe dress with white accessories and a corsage of yellow stephanotis and the bridegroom's mother, a rose crepe frock with white accessories and a corsage of white asters.

Mr. Sganga, Sr., was his son's best man. Ray Hawk, Jr., cousin of the bride and Jasper Reed acted as ushers.

Following the ceremony a reception was held at the home of the bride's parents. Assisting in the entertaining were Mrs. Ray Hawk, Mrs. Frank Seabrook and Mrs. L. W. Knight. The serving table was beautifully decorated with a hand crocheted tablecloth and a centerpiece of white chrysanthemums and was lighted with white candelabra. The three tiered wedding cake was topped with a miniature bride and groom.

The bride is a graduate of Pahokee high school and attended Florida State College for Women at Tallahassee and Chapel Hill in North Carolina before joining the service. She received her discharge from WAC with the rank of sergeant in June after serving two years in the army and plans to attend Long Island University in February.

Mr. Sganga, Jr., is a graduate of Brooklyn high school and served three years as a technician with two years of overseas duty. He is a student at the Medical School of Long Island University.

Out of town guests included the bridegroom's parents and his sister, Teddy Casper of Brooklyn; Mr. and Mrs. Frank Seabrook and J. R. Seabrook of Jupiter, Mr. and Mrs. John Kirk of West Palm Beach.

After the reception Mr. and Mrs. Sganga, Jr. left on their honeymoon for West Palm Beach attired in blue denim trousers and red checkered shirts with accessories to match. They rode away in a Model A pickup truck with a couple of bicycles stowed away in the back. They intend to make their home in Brooklyn.

Sam D. Blazer and M. Smith of Nocatee were visitors in the Glades area on Wednesday of this week.

Weeks And Rabin New Belle Glade City Councilmen

In the annual city election held in Belle Glade on Tuesday of this week, W. W. (Billy) Weeks and Harold Rabin were chosen as councilmen to succeed Little Doc Vandlingham and C. W. McDonald who did not offer for reelection.

In Group one it was a three man race with Mr. Weeks garnering 167 votes while George Scarboro received 71 and Walter Greer 83. In Group Two Mr. Rabin was opposed by E. C. Knapp who received 85 while Mr. Rabin received 228. Holdover members of the council are: Mayor George Taylor, Lee Fockett and D. C. DeHaven.

26 Pct. Increase In Enrollment At Pahokee Schools

Pahokee Schools opened Monday for the serious work of study with an enrollment of 670 students, a 26 per cent increase over the 530 pupils enrolled the previous year.

The sharp increase in enrollment necessitated the appointment on Tuesday of an additional member to the high school faculty, Miss Ann Major, mathematics and English instructor. Previous last minute appointments of Mrs. Mary Moose as high school librarian, Mrs. Lula Pope as third grade teacher and Mrs. W. P. Jernigan as first grade teacher now make the faculty at Pahokee Schools complete, Mr. Caudill said.

The enrollment by grades: First grade, 66; second grade, 60; third grade, 43; fourth grade, 56; fifth grade, 48; sixth grade, 51; seventh grade, 12; eighth grade, 69; ninth grade, 38; tenth grade, 41; eleventh grade, 47; twelfth grade, 39.

Canal Point School Enrollment Is Up

The enrollment at the Canal Point Elementary School at the beginning of classroom work Monday morning was 128 pupils, a slight increase over the school's enrollment on the same date last year, according to Mrs. Wilma Lence, principal.

In the first grade were 22 pupils; second grade, 24; third, 23; fourth, 27; fifth, 19; sixth, 13.

REGISTRATION BOOKS NOW IN THE PRECINCTS

County registration books are now in the precincts and will remain there until the first day of October when they will be returned to the supervisor's office in West Palm Beach. Anyone not registered and who wishes to vote in the November election should register now. In Canal Point the books are at the drug store and in Pahokee they are at Judge Larimore's office.

Herely Foster, Sebring, was a guest last weekend of Mr. and Mrs. Lee Kimball and daughter, Miss Lillian Kimball, at Bryant.

Another Growing Season Starts In Glades Area

Alley Tells Lions Of Grid Outlook

The Pahokee High School Blue Devil football team will be outweighed by practically all of its opponents this coming season and will have to rely mainly on speed to win any contests in its tough 10-game schedule, according to Coach Clyde Alley in a talk before Pahokee Lions at their Tuesday luncheon meeting. The speaker also told of the squad's preseason training activities at Lake Osborne and felt that he would have the boys in good physical condition for their opener with Ponce de Leon in Miami on Sept. 27.

Rupert Mock reported that the overhead lighting system is being installed at the city baseball park and the diamond will soon be ready for night games. A Lions District Nine zone meeting at the Pahokee clubhouse on Sunday, Sept. 15, at 8:30 p. m., was announced.

Lewell Garrison, new high school assistant coach, was received as a new member through transfer of membership card from Kentucky. Rev. C. T. Howes, pastor of the Pahokee Methodist Church, spoke briefly.

New Bridge Complete On Muck Road

The new bridge on Muck City road leading to the line was finished the last of the week, according to County Commissioner Paul Jones. An entirely new bridge was constructed. Rardin said. It was found that the old bridge was beyond repair. The bridge built according to rules laid down by Rardin when he took over as commissioner—after all decking of three by eight and all decking of like material. Many of the bridges have been built in the Pahokee-Canal Point territory, the commissioner said.

Jack Phillips Opens Triangle Restaurant

The Triangle Restaurant in Canal Point is open and ready for business this week. It is under the proprietorship of Jack A. Phillips, former employee of the Pahokee post office. Mr. Phillips has an attractive place furnished with all new equipment and excellent food is provided by the proprietor. Jack extends a cordial invitation to his friends to drop in and see the new location in the Canal Point district of Canal Point.

Legion Groceries Meet Monday Night

Fred and Percy will conduct a meeting in the Legion's Club building on Monday night at 8:30 p. m.

42 New Street Lights Going Up In Pahokee

Florida Power and Light company workmen are busy this week erecting 42 new street lights in Pahokee. They should complete the job not later than the first of the week. Mr. deMoya of the power company is hopeful that the lights can be turned on for the first time by Saturday night.

The street will be lighted from Boe's all the way into the heart of the city, it was pointed out. There will also be five street lights on South Main street—from Nola's store to the ball park. Several of the new lights will go up on Barfield highway and some in the colored section.

Second VPO Group Formed In Hialeah

The Pahokee Veterans Progressive Organization at a meeting in the city hall Monday night discussed plans for sending several delegates to the VPO State Convention which is to be held in Hialeah on Sept. 23 and 24 for the purpose of organizing VPO on a statewide scale.

Claude S. Jones gave a report on the VPO organization meeting which he attended recently in Hialeah. The Hialeah group used the Pahokee VPO constitution and by-laws in its organization procedure and is the second official VPO unit to be organized in the State. Mr. Jones said the Hialeah veterans expressed great enthusiasm for VPO aims but prefers the name of Veterans Political Organization to the one adopted by the Pahokee group. Such differences of opinion will be worked out at the state convention, according to Jones.

J. H. Wilkinson, Jr., Herbert Thorneberry, Paul Collier and Pete Peterson were named by President Howard Holman on a ways and means committee to plan VPO work for the coming year. The group adopted the new VPO emblem presented at the meeting for inspection and approval.

Convention Plans Are Being Pushed

Roy Segree, general chairman of the coming convention of National League of Fresh Fruit and Vegetable Distributors to be held in Palm Beach early in 1947, said yesterday that plans are shaping up nicely for the convention.

A meeting of all convention committees was held Tuesday of this week and arrangements temporarily preferred to care for 1500 or more delegates from throughout America. The convention will be held at the Biltmore Hotel in Palm Beach, Mr. Segree said. Big name bands, name singers and outstanding entertainment is being scheduled for the big event. Special entertainment is being planned for the many women who are expected to attend the convention.

Farming activities in the Lake Okechobee area are starting to hum with growers turning the soil of vast acreages in preparation for the growing of another "record breaking" fall and winter crop of Glades vegetables.

Celery growers have been setting plants since the last of August, the cutting of spuds for the fall potato crop is well under way and large growers are already "pouring the bean seed into the muck." Expensive labor, materials and other incidentals in the overall cost of growing a crop are making many a farmer cautious about planting too early, knowing as they do that September is ordinarily the month of stormy weather in this section and their crops can be easily flooded out in a few hours of tropical rain.

Drag lines have been busy all summer digging ditches for the improvement of drainage and irrigation facilities on many farms. Fried and Son and Grady Boynton are installing huge culverts under Conner's Highway connecting their farm drainage systems with the West Palm Beach Canal which has already become too small to efficiently carry off the flood waters from the vast farm developments along Conner's Highway during excessively wet weather.

Indications at present are that the Glades celery acreage will be slightly smaller than it was last year and the potato acreage will be larger, inasmuch as the potato crop in this section last year was a big money maker. There is not expected to be much change in the last year's acreage of beans, peas, cabbage and other crops. W. H. Jones of Jones Brothers Farm plans to grow 100 acres of lettuce this coming winter and is accordingly reducing his normal acreage of beans.

It is too early yet to predict the labor situation in the Glades this season, but it is relatively safe to say the farmer will "pay through his nose" for what work he is able to get done by "hit-and-miss" day labor. The farmer is also finding some materials scarcer than they were during the war. Celery growers who depend on nitrate of soda for getting their seed beds off to a good start are finding there "ain't no soda" to be found in the State of Florida. Potash is another fertilizer material that is being allotted with most fertilizer companies in the state refusing to mix any fertilizer formula with a potash content of more than 12 per cent.

"What's coming next to keep me awake nights?" asks the Glades farmer as he turns over another 1,000 acres of muck.

Elmer B. Elliott enrolled Tuesday at Florida Military Academy, St. Petersburg. He was accompanied there by his mother, Mrs. B. Elliott, and by Mrs. Joe Kahn who visited her son, Alfred, who enrolled at FMA last week.

The huge flying boat Howard Hughes is assembling in California has a wingspan of 20 feet longer than a football field.

Route To Lower Prices

"Manufacturers generally indicate they do not want to price themselves out of a market and believe that competition will soon become an important factor in controlling prices."

This was a significant paragraph in a report published this week by the magazine Steel, following a survey of nearly 300 making products that ran from electric toasters to locomotives. The survey was significant because steel is a basic industry and the pricing plans of industries related to it have a great deal to do with price trends in other fields.

We call attention to the paragraph in question because it represents an idea that the advocates of continuing government economic controls never think of. It never occurs to the OPA people that the nation's industry is just as anxious to avoid further inflation as anybody in the government could be. It never sinks in on OPA advocates that full production, plus competition, is the only possible route to lower prices.—Knoxville Journal.

War Bride Biscuits

The way to even a brave man's heart is via his stomach. In the South it's paved with biscuits, and an occasional stretch of cornbread.

The Nashville-Davidson county chapter of the American Red Cross is performing a useful function in the interest of peace and human welfare by teaching war brides to cook. What is more, it accents biscuits and cornbread—on which, it may be said to the everlasting credit of a region with sense in its head and taste in its palate, Southern heroes like unto the husbands of these have been raised generation by generation.

This is getting down to fundamentals. As a matter of fact, to anyone otherwise doomed to a biscuitless or cornbreadless table, it's a form of disaster relief, and we salute those who thought of it.—Nashville Banner.

Test Of Respect

In the quarters of a certain Mohammedan trader, a visitor discovered a handsome copy of the Bible printed in English. Knowing that his host could neither read nor write in that language, the visitor inquired why it was kept there.

"When a new trader with whom I have had no previous dealings comes to me, I put this book in his way," said the owner of the volume. "If he handles it with care and respect I feel that I can trust him. But if he casts it aside with a sneer or a curse, I will have nothing to do with him."—Christian Science Monitor.

Mrs. Wiley Tillis Heads B-W Circle

Mrs. Wiley Tillis was elected chairman of the Business Woman's Circle First Baptist WMU, at a meeting at the home of Mrs. Marvin Unwin Tuesday evening. Mrs. Horace Unwin was elected program chairman and Mrs. D. W. Young was re-elected secretary-treasurer. The group voted to participate in the installation of officers of the church to be held in the fellowship hall with a covered dish supper on the night of Sept. 23.

It was also voted to furnish a fall wardrobe for Miss Dorothy Thompson, the local WMU's protege at the Baptist Children's Home in Arcadia. Mrs. Roland Long and Mrs. Catherine Baldwin were welcomed as new members. Mrs. O. O. Gilbert presided at the business session.

A program on "Religion in Neighbor Nations" was presented by Mrs. Homer Barnes, program chairman. Taking part with talks on the subject were Mrs. W. Tillis, Mrs. D. W. Young, Mrs. C. A. Moberg, Mrs. C. R. Wroten and Mrs. M. Unwin. Mrs. W. M. DuBose was in charge of the devotionals and Mrs. J. H. Wilkinson, Jr., assisted the hostess in the serving of refreshments.

Roy Kautz Honored Upon Return Home

Mr. and Mrs. I. J. Frasure, Jr., entertained this week with a wieners roast and watermelon feast honoring Warrant Officer Roy Kautz upon his return home from overseas duty in the Pacific area.

Other guests were Mr. and Mrs. Lorenzo Connell, Mr. and Mrs. Herman Kautz, Mr. and Mrs. Homer Frasure, Mr. and Mrs. I. J. Frasure, Sr., Mr. and Mrs. Hughes Frasure, Mr. and Mrs. Alec Johnson, Mr. and Mrs. George Johnson, Mrs. Roy Kautz and Uncle Tom Campbell.

"ATOM POWER"

MARCH of TIME

Take Your Pulse

Every time your heart beats, one of 800,000,000 people dies of starvation somewhere in the world!

You can DO something about it in your own kitchen!

Use and reuse your cooking fats, and when you have gotten all their food value, turn them in to your meat dealer for four cents per pound. Your salvaged fats are used here at home to help make soap and other

peacetime necessities. Your fat salvage releases fresh food fats for distribution abroad. Save every drop to help yourself and to relieve suffering and shortages throughout the world.

If you've never been hungry—if you've never missed a meal, it is hard to realize how acute a hunger pain can be. Those of us here in the Everglades who are blessed with much food could do a great deal to ease the hunger pains of millions if we but conserve food. With this idea in mind, this message is sponsored by:

PAHOKIE, FLORIDA

Canal Point PTA Has First Fall Meet

The first fall meeting of the Canal Point PTA was held Wednesday afternoon with the president, Mrs. C. H. Jones presiding. Mrs. Jones reported to the members that the lunch room will be managed this term by Mrs. L. R. Dixon. In an effort to enlarge membership of the organization Mrs. Jones urged the room mothers to make an effort to secure new members. The October meeting will be held Oct. 14 at 8 o'clock in the evening. It was thought by members that an evening meeting might bring out a larger attendance of fathers. During the meeting the need for a voluntary leader for the 4-H Club girls work was emphasized.

NOTICE OF ANNUAL MEETING OF LANDOWNERS OF EAST BEACH DRAINAGE DISTRICT

Notice is hereby given that, pursuant to call of the Board of Supervisors of East Beach Drainage District, the annual meeting of the landowners of East Beach Drainage District for the year 1946 will be held at the office of said District in the Post Office Building at Canal Point, Palm Beach County, Florida, on Friday, September 27, 1946, at 10:00 o'clock in the forenoon, Eastern Standard Time for the purposes of:

1. Electing a Supervisor for Division 1
2. Receiving annual reports and taking such action with respect thereto as the landowners may determine; and
3. Transacting such other business as may come before the meeting.

BOARD OF SUPERVISORS OF EAST BEACH DRAINAGE DISTRICT

Stuckey Goes To Washington In Behalf Of State Growers

L. L. Stuckey of Pahokee, State Chairman of the Florida Vegetable Commission, left Sunday for Washington, D. C., to carry out instructions received at a recent meeting in Clewiston when vegetable growers' needs in South Florida and the Everglades were discussed.

Mr. Stuckey stated that he had two main points on his program to try to clear up at the meeting in Washington. First, to work out some kind of a permanent labor program for the Everglades in particular and Florida in general. Second, to keep the OPA out of this winter perishable vegetable deal. Both problems have caused numerous headaches among Florida growers and a permanent policy will clarify the situation. Labor costs, in addition to other high costs of production, have been such the last few years that total production costs have tended to constantly outstrip market prices, Mr. Stuckey said.

IT'S A RAILROAD NOW!

TALLAHASSEE — The Florida Railroad Commission has approved transfer of all motor carrier operating rights of the Seaboard Air Line Railway Company to the newly reorganized Seaboard Air Line Railroad Company. The Seaboard has ended its lengthy receivership, and in its new corporate form is a "railroad" instead of a "railway."

Mr. and Mrs. Earl Cooper of Pahokee announce the birth of twins, a daughter, Wilma Irene, and a son, Seth Eugene, at the Everglades Memorial Hospital on Sept. 6.

Mr. and Mrs. Ernest A. Lindrose of Pahokee announce the birth of a daughter, Helen Inez, at the Everglades Memorial Hospital on Sept. 9.

Mr. and Mrs. Urban S. Felsing of Chosen announce the birth of a son, Marilyn Daniel, at the Everglades Memorial Hospital on Sept. 6.

CHURCH OF CHRIST, SCIENTIST

"SUBSTANCE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, September 15.

The Golden Text is: "Wisdom and knowledge shall be the stability of thy times, and strength of salvation: the fear of the Lord is his treasure" (Isaiah 33:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now faith is the substance of things hoped for, the evidence of things not seen. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (Hebr. 11:1,3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth, Life, and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen.' The spiritual universe, including individual man, is a compound idea, reflecting the divine substance of Spirit" (p. 468:18-21, 22-24).

Miss Lucille Rogers visited her aunt, Mrs. Nell Wood, in Fort Pierce over the weekend.

IN THE CIRCUIT COURT OF THE FIFTEENTH JUDICIAL CIRCUIT OF FLORIDA, IN AND FOR PALM BEACH COUNTY.
Olive Collier, a widow,
Plaintiff,
vs.
Jonathan R. Holt, et al.,
Defendants.

Pahokee Methodists Plan Full Day

A full day of interesting activities is scheduled for Sunday at the Pahokee Methodist Church.

At the morning service Rev. C. T. Howes, pastor, will deliver a sermon on "A Good Man," following which a church fellowship dinner will be held on the lawn. Lloyd Hundley, C. C. Cruthird, J. A. Dulaney and T. L. Burns will be in charge of dinner arrangements. After dinner there will be a meet-

ing of the Board of Stewards.

At the evening service those from Pahokee who attended the Methodist Young People's Assemblies held recently in Lakeland will present a special program. This group includes the Misses Nell Howes, Lucille Rogers, Helen Howes, Laurie Rogers, Joy Padgett and Barbara Wroten, Rev. C. T. Howes, Eddie Stanley, Frank Rozelle, Jr., and Thomas Howes.

Mr. and Mrs. Walter G. Hull have returned from a brief visit in Boston, Mass.

- 1 The amount of money Paid Out to provide telephone service is increasing faster than the amount Taken In.
- 2 Telephone earnings are the lowest in our history.
- 3 Reasonable telephone earnings are essential to good telephone service.

Your Telephone Company is doing the largest volume of business in its history, yet telephone earnings continue to decline.

The reason is perfectly clear. Your telephone rate has remained the same for many years while the costs of furnishing you telephone service have increased. Wages, telephone materials, building costs, services, all have been going up so fast that—

the amount of money Paid Out to provide service is increasing faster than the amount Taken In. Actually telephone earnings today are the lowest in our history!

As every business man knows, good service depends on reasonable earnings. That is basic. To render good telephone service and to continually improve and expand it, reasonable telephone earnings are essential.

Our public duty demands that we report these facts to you.

Orange Bowl Queen Wanted? Are You Really Photogenic?

MIAMI, Sept. 13.—WANTED: Florida's most photogenic young lady to be the 1947 Orange Bowl Queen.

There are three requirements: (1) unmarried; (2) between the ages of 18 and 25, and (3) a resident of Florida as of last January 1.

Girls from all over the State of Florida are extended the invitation to send in pictures to the Orange Bowl Committee, 920 Ingraham Building, Miami 23, Florida, by October 1st.

"Our 1947 Orange Bowl Queen may be a college student, a student nurse, a model, a bookkeeper, a secretary, an air line hostess, or a telephone operator," says Ernest E. Seller, business manager of the Orange Bowl Committee. "But she must be a sun-kissed miss whose regal beauty is representative of Florida's unmatched natural scenery."

Preliminary consideration will be from photographs mailed to the committee. Each contestant must submit three (3) 3x10 glossy prints. One print is to be a head portrait, the second a full length in a bathing suit, and the third picture in an evening dress, street or sports clothes.

Contestants are asked to put their names, addresses, and ages on each photograph. They are also requested to submit their measurements and other information with each picture.

From the photographs the committee will be able to judge the

photogenic qualities of the contestant. Then the girl will be interviewed and scored on the basis of her personality, poise, voice, personal appearance, character and background.

A special invitation has been sent to Florida coeds attending Florida State College for Women, Stetson, Rollins, University of Miami, Southern and Tampa to submit photographs.

BUSINESS WOMAN'S CIRCLE

The Business Woman's Circle of the First Baptist Church of Pahokee, met in its initial session of the new church year, Tuesday night, at the home of Mrs. H. Unwin. Mrs. H. Barnes was in charge of the program "Neighbor America." The business phase of the meeting was conducted by the president, Mrs. O. Gilbert.

Refreshments were served to the following: Mesdames M. Unwin, Dick Richardson, T. E. Baldwin, J. H. Wilkinson, H. Unwin, O. Gilbert, R. Long, H. Barnes, W. M. DuBose, C. L. Shirley, Bill Jones, R. L. Parker, Paul Watson, Wiley Tillis, Dave Young, R. Grimes, C. A. Moberg, W. V. Unwin, C. F. Wroten, W. Kemp, C. B. Starling and J. C. Mock. The next meeting will be conducted in Fellowship Hall at which time the officers will be installed.

Mr. and Mrs. R. J. Schroder and son, Bobby, returned home last weekend from a two week's vacation spent in Chattanooga, Tenn., New Orleans, La., and other points in the Southern States.

HOME WAR

Warrant Officer Roy Kautz, son of Mr. and Mrs. John Kautz of Canal Point, has arrived home on terminal leave after 34 months in the service including overseas duty in the Pacific area for the past two years. His wife, Mrs. Izetta Kautz, went to West Palm Beach last weekend to meet him.

Roy served on a PT boat in the Pacific and was among the first Americans to land in the Tokyo area after the surrender of Japan. He returns home with a medal of commendation for action beyond the call of duty, the good conduct medal and the Philippines Liberation medal. He also has a battle star for the Luzon campaign and one for the Okinawa campaign.

PAHOKEE BAPTIST CHURCH

A program of music, quartet arrangement, will be the order of the day, both services, at the First Baptist Church of Pahokee, this Sunday. At the morning hour the pastor, Rev. C. A. Moberg, will speak on the subject "To be forewarned is to be forearmed." The "Illuminated Cross, Meditation" will be presented at the night service with augmentation by the orchestra and choir. The sermon title will be "The Rock and the Rock." This is to extend to all unaffiliated Baptists of this area a most cordial invitation to place their membership in the local church and continue their program of activity so beautifully and enthusiastically started in the church of their Christian beginning.

NOTICE

PALM BEACH COUNTY, FLORIDA, September 8th, 1946.
NOTICE IS HEREBY GIVEN that pursuant to Section 9 of Chapter 18296, Laws of Florida, Acts of 1931, known as the MURPHY ACT, and in pursuance of Chapter 20658, Laws of Florida, Acts of 1941, known as the EVERGLADES DRAINAGE DISTRICT ACT, the following described land, situated in Everglades Drainage District, Florida, will be offered for sale at the Court-house, for the public outcry for the highest and best cash bid, subject to the rights of the Trustees of the Internal Improvement Fund and of the Board of Commissioners of Everglades Drainage District to reject any and all bids at the Court-house, beginning at 10:00 O'clock A. M. (EST) on the 11th day of October, 1946. As to all lands outside the corporate limits of any municipality, as of this date, title to one half of all petroleum and three fourths of other mineral rights will be reserved by Trustees of the Internal Improvement Fund; if lands are within said corporate limits as of this date the reservation applies, but privilege to explore, mine and develop will be conducted on and under land only with the consent of the surface owner.

Easement for road right of way 300 feet wide will be reserved by said Trustees from any parcel through which there is an existing State road, and easement for drainage and reclamation and for road purposes will be reserved by the Board of Commissioners of Everglades Drainage District. Fifty percent (50%) of all oil and mineral rights will be reserved by the Board of Commissioners of Everglades Drainage District.

To you—

THE MOST IMPORTANT CAR

IN THE WORLD

is the car you're driving now

Keep it in top condition to serve your present driving needs, and help to assure yourself of a higher trade-in value later, by having it serviced by us regularly.

Our skilled mechanics use factory-engineered tools, and replace with genuine Chevrolet parts when replacements are necessary, and our many facilities enable us to give prompt service as well.

Until you can get delivery of a new car, keep your present transportation running dependably with Chevrolet Super Service.

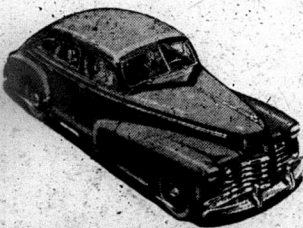

and the car you're going to buy . . .

If it's Big-Car quality you want—and at lowest cost—then that car is the new Chevrolet.

Chevrolet is the only low-priced car combining the Big-Car quality features of Body by Fisher, valve-in-head engine, Kne-Action gliding ride and vacuum-power shift.

With the current production schedules, Chevrolet gives you a wide range of models from which to choose—a body type to suit your personal transportation preference.

While you may still have to wait for delivery, you'll agree that never has Chevrolet built a better car than this new Chevrolet.

Christian Chevrolet Co.

Pahokee, Florida

Among prominent new faculty members at the University of Florida this fall are the ten shown above, representing seven of the University's eight colleges. The new staff members are top row, left to right, Dr. R. L. Johns, College of Education, formerly with the state department of education in Alabama; Dr. William Ruff, University College, for 11 years a member of the English Department at Yale; Dr. Robert G. Brown, College of Law, author and specialist in the practice of taxation law; Dr. A. F. Greaves-Walker, College of Engineering, former professor and head of

the Departments of Mining Engineering and Ceramic Engineering, North Carolina State, during the war was chief, Metals and Minerals Division OPED, War Production Board; and Dr. D. L. Scudder, College of Arts and Sciences, Department of Religion, former professor of ethics and religion in Connecticut. Bottom row, left to right, Dr. Robert F. Davidson, University College, a Rhodes Scholar and former professor of mathematics, Greek Biblical literature and philosophy; Dr. Karl Ashburn, College of Business Administration, Department of

Real Estate, economist and research statistician, former business administration head at Southwestern Louisiana Institute; Dr. Henry Reitz, College of Arts and Sciences, recently head of research at Western Regional Research Laboratory at Berkeley, California; Dr. Murray Shields, College of Business Administration, former head of the Business Administration Department at the University of Alaska for 12 years; and Herman Schnell, College of Physical Education, Health and Athletics, former instructor at Columbia University and University of North Carolina.

Woman's Club Has First Fall Meeting

The Pahokee Woman's Club held its first meeting of the fall season in the clubhouse Tuesday night with the new president, Mrs. Leon Spooner, presiding at the business. The club voted to drop from its membership roll all members whose dues were not paid up to date by Oct. 1.

New chairman of standing committees were named by Mrs. Spooner as follows: Mrs. D. W. Cunningham, legislation; Mrs. Ora W. Powell, publicity; Mrs. J. P. Colson, international relations; Mrs. Minnie L. Hughes, American war veterans; Mrs. J. R. York, education; Mrs. Joe Kahn, citizenship and youth; Mrs. Jack Phillips, public welfare; Mrs. V. L. Geiger, conservation; Mrs. Frank Osteen, fine arts; Mrs. H. J. Clause, motion pictures; Mrs. J. A. Dulany, health; Mrs. W. H. Jones, public safety; Mrs. J. M. Elliott, American homes; Mrs. Horace Dawin, Bible and Mrs. R. F. Hurt, house.

It was announced that the legislation and publicity committees will have charge of the club's September program meeting; international relations and American war veterans committees, October program; education and citizenship committees, November program; public welfare and conservation committees, December program; fine arts and motion pictures committees, January program; health and public safety committees, February program; American homes and Bible committee, March program, and the house committee, annual installation of new officers in April.

VFW Group Will Meet On Tuesday

The Pahokee Post, Veterans of Foreign Wars will meet in the city hall on Tuesday, Sept. 17, at 8 p. m. A name for the post, colors for the post and the organization of VFW auxiliary will be among the subjects brought up for discussion at this important meeting. The latest current material for veterans interested in taking civil service examination for various jobs of engineering will be distributed at this meeting also.

TO SEE THE SIGHTS

ORLANDO—Floridians planning to attend the annual convention of the American Farm Bureau Federation in San Francisco in December will have the opportunity of spending a full day in Los Angeles and to visit the homes of famous movie stars, studios and other plaques of interest, it was announced by the state headquarters of the Florida Farm Bureau this week.

Florida Spud Crop Expected To Increase

Florida potato growers will be interested to know that the 1947 potato crop goal has been set at 373 million bushels, according to information received from the USDA by the Florida Farm Bureau. The goal is 72 million bushels below that of 1946. Production is based on a national acreage goal of 2,631,000 of which 238,000 acres are for the early commercial crop. In 1946 the early commercial potato crop was 384,000 acres out of a total 2,786,000 acres planted for the nation. Florida's acreage goal will be announced in this news letter sometime in October.

Mexican cattle face rigid U. S. import restrictions now, but if a present joint veterinary survey results in finding no hoof-and-mouth disease in Mexican herds, then U. S. will lift the barrier, the Florida Farm Bureau has been informed. Herds in Mexico to which Brazilian Zebu bulls have been recently added will be carefully checked to determine if the imports from Brazil, numbering several hundred, have infected Mexican cattle. Officials of USDA have advised the Florida Farm Bureau that considerable danger to the U. S. livestock industry exists in this situation. The view of the fact that this country normally imports about half a million Mexican cattle annually, A. U. S. border quarantine halting importation of Mexican cattle to this country was imposed June 5.

Huge Game Refuge Created In Taylor Co.

PERRY — Action of the Fresh Water Fish and Game Commission in creating a 21,000-acre fish and game refuge recently in Taylor County will give sanctuary to a greater variety of game than could be found in any like area of Florida, in the opinion of Henry Howell, game warden.

The tract has numerous bodies of water, and is largely forest and pasture land.

Situated just west of U. S. Highway 19, a few miles northwest of Perry on the Econfinia River, the refuge is about midway between the unchartered San Pedro Bay region and the Gulf. Game Warden Howell, who has an intimate knowledge of Taylor County wildlife gained in years of experience in the woods of this area, says that the new refuge contains numerous deer.

Among other game in the area may be found wild turkeys, opossums, raccoons, foxes, beaver, squirrels, quail, doves, ducks, alligators, skunks, snakes, bobcats and panthers.

The Commission created the refuge for an indefinite period at

their session in Jacksonville last Thursday. Purpose of this action, which was sponsored by the Taylor County Chamber of Commerce, is to provide safe breeding grounds for fish and wildlife.

Negro Child Killed In Unique Accident

Shirley Jean Barnes, five-year-old negro child, was accidentally shot and killed by her playmate, ten-year-old Roberta Teasley (colored) at the Canal Point Migratory Labor Camp around 6:45 p. m. Wednesday evening. The child died upon arrival at the Everglades Memorial Hospital.

The two children had just returned to their home at the camp from a car ride with Ethel Barnes, Shirley Jean's mother, and were asked to return to the car in search of some missing rent receipts. Under the front seat they discovered the barrel of an old shotgun with stock missing and trigger broken. While examining the gun the Teasley child pulled back and released the hammer, firing the gun with the pellets entering her companion's abdomen.

Called to the scene by Deputy Sheriff Frank O'Connell, Conner W. J. Larrimore judged the death caused by accidental shooting.

YOUNG PEOPLE MEET

A council meeting of the Methodist young people's department was held in the social hall of the Pahokee Methodist Church Tuesday night. Miss Laurie Rogers was nominated worship chairman of the group and Miss Helen Howes, publicity chairman.

Plans were made for members of the department who attended the recent Methodist Young People's Assemblies in Lakeland to present a special program relating to YPA activities at the evening church service Sunday, Sept. 15.

Government Will Take More Juice

LAKELAND — Government purchasing of canned citrus juice, virtually discontinued at the end of the war, has been resumed, it was learned here this week, with the Army Quartermaster Corps requesting bids from canners to supply the equivalent of more than 800,000 standard cases of juice, and of grapefruit sections from the past season's pack.

The purchases, coming at a time when an effort is being made to clean up the 1945-46 pack before the new pack is begun, should be "very helpful," citrus men said. The Florida Citrus Commission is sponsoring a special radio promotion at this time on grapefruit juice in an effort to prevent any sizeable carry-over into next season.

Cinematic Chatter

By Malcolm Millar

If you want to see a good picture on this coming week drop into the Prince Theatre on Thursday or Friday, September 19 or 20, and sit you down to a good laugh when they unveil "Janie Gets Married", with Joan Leslie and Robert Hutton in the principal roles, and Edward Arnold, Ann Harding, Robert Benchley, Hattie McDaniel, Eddie "Rochester" Anderson Ann Gillis and Dick Erdman enacting essential characterizations.

Here is a well written story, with a grand plot, loaded with suspenseful moments and tender affection... not forgetting the hilarious moments brought about through the usual conflict, misunderstanding and jealousy.

This one tells the tale of a youngish married couple and the problems they have to face; and the trifling heartaches they encounter during that first year.

For in this story it is brought out that young brides do seek motives for moments of irritation... let me put it this way... Young brides do seek for a means to place said "hubby" behind the proverbial "eight ball"... "just to see if he loves me."

At any rate this little bride gets a suspicion that all is not well in her "baliwick"... In fact she gets an idea back in her pretty little head that her hubby is being "approached" by another woman, and that she, the wife stands a very good chance to lose hubby to this young siren.

Of course this brings on the conflict and the complications I spoke of awhile ago... It also brings on some moments of deep laughter from ye audience... when this little bride goes about the business of exterminating the "husband seeking" termite.

At any rate, after it has gone on far enough to milk all the laughs possible from the gazers it irons itself out and the little bride finds she has nothing to worry about. Cute, isn't it?

On the same program is a March of Time that I must recommend to everyone as one of the best subjects this company has yet sent us.

This one is "Atom Power" and tells the story of the Atom Bomb from its very beginning, taking us through all of the experiments and the trials up to the dropping of the bomb that spelled the end of the war. For down right, hair-raising, interest I am sure you'll find nothing to equal "Atom Power."

See you at the movies—Mal.

Mr. and Mrs. I. J. Frazer, Sr., left Wednesday on a three weeks' vacation to spend with relatives and friends in Texas, Tennessee and Arkansas.

C. F. McQuaig, Sr. Hurt In Accident

Charles F. McQuaig, Sr., manager of the B&B meat market, is in an Orlando hospital recuperating from serious injuries received in a recent highway accident near Orlando.

Mr. McQuaig and his son, Charles F. McQuaig, Jr., were riding a motorcycle enroute home from a vacation spent with relatives in Monteverde, Fla., when they were hit by a car entering the highway from a side road.

Mr. McQuaig, Sr., received a double fracture of a leg both above and below the knee as well as cuts and bruises and will have to remain in the hospital for several weeks. His son's leg was also fractured but the younger McQuaig's injuries were less severe and he has been dismissed from the hospital.

Plans Call For Fellowship Group

Men of the Pahokee Methodist Church are planning a supper to be held on the evening of Thursday, Sept. 19, for the purpose of organizing a Methodist men's fellowship group. All men connected with the church are urged to attend.

Mrs. Osburn Belyeu Honored With Party

Mrs. Axel Jensen, Mrs. Dorsey Pugh and Mrs. E. M. Schultz, Sr. entertained at the Woman's Club building last week with a bride's party and miscellaneous shower in compliment to Mrs. Osburn Belyeu who before her recent marriage was Miss Gloria Humphries.

The clubhouse was decorated with palms, fern and zinnias for the affair. Bouquets of sweetheart roses and fern were on the serving table which had as a centerpiece a three-tiered wedding cake topped with a miniature bride and groom.

The program of entertainment was under the direction of Mrs. H. C. Graham. Mrs. P. P. deMoya played the piano for group singing. Contest prizes were won by Miss Irene Shackford, Mrs. Ellsworth Keen and Mrs. N. D. Evans.

Miss Leah Keen and Miss Irene Shackford assisted the bride in the display of many lovely gifts. The hostesses were assisted by Miss Betty Jane Jensen and Miss Eloise Humphries in the serving of refreshments, which included a salad course, cake and coffee, to approximately 40 guests, attending.

Blanton Haskin has returned to Dudley, Ga., after a visit here with his uncle and aunt, Mr. and Mrs. O. O. Gilbert.

BPW Club Was Held Thursday Evening

A call meeting of the Everglades Business and Professional Woman's Club standing committees was held Thursday evening at the home of Miss Clark Hull for the purpose of planning club work for the coming year.

It was announced that the club's first regular social meeting of the fall season would be held on Sept. 17 at the home of Mrs. Cleo Douthett, membership chairman. A board meeting at the home of the president, Mrs. W. M. DuBose, was also announced. The group made plans for observing annual B&PWC week, Oct. 13-19.

MEN'S BIBLE CLASS

All members and friends of the Pahokee's Men's Bible Class are respectfully requested to be present this Sunday to hear the report of the nominating committee on officers of the committee. Rev. C. A. Moberg, teacher will present the lesson "Thou Shalt Not Covet" both from the negative and positive viewpoint. The class quartet will sing. Lawrence Jaudon will preside. A most cordial invitation is extended to all unaffiliated men and visitors to attend. The group meets in Fellowship Hall on Bacom Point Road at 9:45 a. m.

TWO REGIONAL FAVORITES YOU'LL ENJOY

F FLORIDA. HAYSTACKS

RECIPE: Use four, thickly cut pork chops; green pepper; 4 tbsps. uncooked rice; 2 tomatoes; onion; salt and pepper to taste. Place a slice of green pepper on each pork chop. Fill pepper ring with one tablespoon chop. Fill pepper ring with one slice of onion. Top rice and cover with a slice of onion. Place in a shallow baking dish. and chop remainder with a thick slice of peeled tomato. Place in of pepper, tomatoes, and onion around the chops. Sprinkle with salt and pepper; bake at 350° F. for one hour. Serve with toasted rolls, your favorite salad and golden JAX Beer. Serves—four.

JAX has mailed \$5.00 to Mrs. Frank H. Allen, Jacksonville, Florida, for this delightful regional recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use.

AND GOLDEN, DELICIOUS **Jax** BEER!

Something tells us you'll go for these taste-tantalizing Florida Haystacks... just as something tells you the flavor will be more predominantly perfect, when there's plenty of JAX Beer added to this delightful regional meal.

The test is taste, and distinctive Southeastern tastes find true, satisfying goodness in JAX, the mellow Drink of Friendship. JAX Beer is brewed with the utmost care, to bring out the qualities that make it a great regional beverage... a grand companion to your favorite foods... an enjoyable thirst-quencher when served just by itself.

Say JAX!
you can't say
better beer
at any price!

Don Kepp is to be back at Sam Chastain's office in Canal Point this season after having been away attending to business for Uncle Sam for the past 26 months. Mr. and Mrs. Kepp at present are looking for a place to live in Canal Point or Pahokee.

Game Board Closes Lake Okeechobee To Commercial Men

At the meeting of the State Game and Fresh Water Fish Commission held at the Roosevelt Hotel in Jacksonville last Thursday the Commission voted unanimously to stand by their decision of a year ago and go ahead and close Lake Okeechobee to commercial fishing on October first. The same ruling applies to Lake George in the upper part of the state and it will also be closed on that date.

At a meeting of the Commission held at Jacksonville in July they decided to appoint a five man committee composed of two commercial fishermen and two sport fishermen and one scientific expert for Lake Okeechobee and also one for Lake George. They were to make a study of the situation and report back to the Commission at the meeting in Jacksonville last Thursday and the Commission would be guided by the findings of these two committees.

The Lake Okeechobee Committee met at the Southland Hotel here on Monday August 26 with all members of the committee present and after an all day meeting in which witnesses were heard as regards the fishing on the Lake the five man committee composed of Representative W. J. Hendry of Okeechobee and A. A. Beck of Moore Haven as the two members representing the Commercial Fishermen, and Jim Ober of Miami and Ernest Lyons of Stuart, representing the sport fishermen. The fifth member was Dr. Walton Smith of the Marine, Laboratory University of Miami.

The committee voted at the close of the day four to one to continue commercial fishing. The one voting to go ahead with the order to close the lake was Mr. Lyons of Stuart.

The five man commission appointed for the Lake George investigation voted unanimously for the continuance of Commercial fishing which made the vote of the two committees stand at nine for the continuance and one as opposed.

After the recommendations of the two committees at the Jacksonville meeting the Game and Fresh Water Fish Commission voted unanimously to go ahead with their previous decision to stop commercial fishing in these two lakes.

Those with whom we have talked are unable to understand the

action of the Commission in selecting these committees to make an investigation and recommendation to them and then ignore the findings, completely. One thing is certain and that is that when all scientific experts who have studied the question say that commercial fishing is not harmful to the sport fishermen some other motive besides conservation must be involved in this decision they reached. —Okeechobee News.

Pahokee Purchases Billing Machine

A brand new Remington bookkeeping machine for the city clerk's office was purchased for \$1,087.80 by the Pahokee City Council at the regular meeting in the city hall Tuesday night. The bid presented by the Glades Office Supply Company of Belle Glade was accepted by the council. A total of 517 books were in

circulation at the City Library during the last month, according to a report presented to the council by Mrs. W. J. Larrimore, librarian.

Preceding the meeting members of the council and other city officials were guests at a chicken dinner given by the Volunteer Firemen's Association. Fire Chief Marvin Levins and Sam McKinstry, Jr., were in charge of arrangements for the dinner.
